## **ARRIVAL WITH DEUTSCHE BAHN OR LOCAL RAIL PROVIDERS**

We recommend arriving via Frankfurt Central Station (connected to regional rail providers, all S-Bahn Lines, the U4 and U5, as well as multiple tram and bus lines). Exit Frankfurt Central Station via the main exit, cross the street and follow "Kaiserstraße" until the first intersection. Take a right here into "Moselstraße" and follow for 200 m. You will find our offices on the left-hand side of the street.

Alternatively, you may reach us from the station "Willy-Brandt-Platz" – exit the station and simply follow "Gutleutstraße" towards Frankfurt Central Station.

## **ARRIVAL BY PLANE**

A transfer from Frankfurt Airport to Frankfurt Central Station is possible via ICE, regional rail providers, the S-Bahn, as well as several private and public bus lines (travel time approx. 30 min). Upon arrival at Frankfurt Central Station, please follow the direction above.

## **ARRIVAL BY CAR**

Upon entering the city limits, follow the road signs towards City Center/Central Station. When driving along "Düsseldorfer Straße", take a right into "Karlstraße" and follow for 150 m. Take a right into "Niddastraße" and another right into "Moselstraße". You will find our offices on the right-hand side of the street after about 500 m.

Parking is possible in the car park "Le Meridien-Parkhotel" (Wiesenhüttenplatz 28-38) as well as "Interkonti" (Gutleutstr. 49, accessible via Wilhelm-Leuschner-Str. 32).
